## YOUTH IN HARMONY WORKSHOP

### Super Sing 2015

This year's Youth in Harmony workshop will be held at the Green Bay East High School on Jan 24th. There are currently about 70 students registered. This year also includes both boys and girls singing and rehearsing songs. Special thank you to Bill Schmidt, and John Dessert for their hard work planning and organizing this event. It takes a lot of coordination between various high school choir programs and local chapters for their support. We also want to thank the Appleton Fox Valleyaires, The Manitowoc Clipper City Chordsmen, Appleton Sweet Adelines, Baylander Chorus, and chapter quartets .
