## Helpers Needed

We will need helpers to paint sets for the Spring Show contact Jim Emmel if interested in helping. We will also need people to load and haul the risers over to the church before our dress rehearsal.

## Awards Banquet

The board will be discussing our awards banquet at the next board meeting. We have not set up a date or location for the banquet. If anyone has some ideas for a location that would meet our needs please contact any board member.

## Workshop with Duke

We had a good turnout for our workshop with Duke on Saturday March 26<sup>th</sup>. We got some good pointers on how to make our show more entertaining.

## Show Progress

We are continuing to make good progress selling ads for our spring show. Remember to get copies of your ad reservations to Lee so he can send out comp tickets if necessary. If you need fliers you can print them off our website. We are doing well selling ads. Last year we sold 103 ads. Our goal this year is to sell at least 110 ads. We also have show tickets for sale. If you need tickets see John Whitehouse. We also have afterglow tickets available. We will have at least two high school quartets that will perform on our show. Both quartets received a star rating at the solo and ensemble festival this year.

### Honor Flight

The next honor flight will be returning to Appleton Airport on April 13. Some people from the chorus were planning to go to the welcome home ceremony when the plane arrives about 8pm.

Spring Show Tickets are available. Lets get out and sell, sell, sell. This is a good opportunity to get fliers in all local churches to let them know about our Gospel Theme Show. Please remind your friends to "like" baylander chorus on facebook in order to get the message out on social media.
